## LA SALLE UNIVERSITY'S WEEKLY INFORMATION CIRCULAR

Sept. 15<sup>th</sup>, 2000

*Office of the President*

September 13, 2000

To all members of the La Salle University Community:

As you know, on September 29, the University will be hosting "Convocation 2000" of the Baltimore District of the Christian Brothers. This gathering is especially significant for several reasons. It celebrates 3 major anniversaries for the Brothers—the 350th of St. John Baptist de La Salle's birth; the 100th of his canonization; and the 50th of the Church's declaration of St. La Salle as the patron saint of teachers of youth. In addition, "Convocation 2000" is the first to include a large number of lay persons associated with the Brothers as Christian educators in the Lasallian tradition.

For the University, the Convocation also has a special importance. One of our distinguished faculty members, Sid MacLeod, of the Communications Department, will be formally made an affiliated member of the Christian Brothers at this convocation. This honor comes to Sid, at the request of the Brothers communities at the University, with the approval of the Institute's Baltimore District Council and the Superior General in Rome. For the Brothers, such Affiliation recognizes a person's outstanding witness to the values and mission of the Institute and our Founder.

In the course of over 40 years teaching at La Salle, Sid has received the Lindback Award for distinguished teaching and has earned a reputation for contributing to areas beyond the classroom, from athletics and admissions to the theater. In addition to his work for the University, Sid has a long history of contributing his time and expertise in media to numerous projects for the Brothers and other religious orders in the Philadelphia area.

Please join me in congratulating Sid on his formal affiliation with the Brothers and in thanking him for his career of commitment to the mission of the University and St. La Salle.

See you at the Convocation!

*Brother Michael*

RE: Leaves and Grants

During October and November, the Leaves and Grants Committee will review and recommend on these grant applications, which are due in the Provost's Office by October 20:

- Research leave for one semester of the 2001-2002 academic year;
- Degree completion leave for one semester of the 2001-2002 academic year;
- "Other Type" grants which would be implemented before May 15, 2001;
- Course reduction grants for one course during the 2001-2002 academic year.

In the spring semester, applications will be available for (a) summer 2001 grants; and (b) "Other Type" grants that would be implemented between May 15, 2001, and September, 2001.

Current policies on funds for these grants are as follows:

- Six full semesters of leaves are available;
- The amount available for grants other than semester leaves is equal to the mean Full Professor salary;
- Up to eight one-course reductions are available for 2001-2002;
- "If one or more of the six full semester leaves is unused, there should be a transfer of funds from the annual leaves budget to the summer and other type grant budget. The amount recommended is one-third of the middle step of the Associate Professor scale. Should more than one not be used,

---

<sup>1</sup> All full-time faculty are eligible to apply for grants. Tenured and tenure-track faculty are eligible to apply for leaves.

this motion is intended to cover just one instance." (College Council, December 14, 1981). For this calculation, the mean Associate Professor salary will be used.

### Review Criteria

In consideration of the Committee's previous work, it has established the following as the criteria by which applications for all types of leaves and grants will be reviewed:

- Quality of the Project
- Quality of the Proposal
- Preparation for the Project
- Feasibility of Timetable
- Relationship of Project to Faculty Member's Professional Development
- Relationship of Project to La Salle University Community

The letter required from the Department Chair is confidential correspondence and will assist the Committee in evaluating several of these issues from a disciplinary perspective.

### Focus of Applications

The Leaves and Grants Program is intended to enhance faculty development primarily through supporting research and scholarship.

While course development is an essential aspect of each faculty member's regular responsibility, proposals for instructional development that are in some way beyond normal course development can be considered for funding.

Ordinarily, travel grants and work that is administrative in nature are not funded through this Committee.

### Application Forms

Forms for applying for research leave, degree completion, "Other Type," and course reduction grants are now available in the Office of the Provost.

Should you wish further information on applying, you might check with any member of the Leaves and Grants Committee:

- Dr. David Cichowicz
- Dr. David Falcone
- Mr. Finn Hornum
- Dr. Katherine Kinsey

## **\$2000 Prize Essay Contest for Young Writers**

### **"Being Catholic in Contemporary America"**

*Commonweal* magazine offers a prize of two thousand dollars for the best 3,000-word essay on the general subject "Being Catholic in Contemporary America." What are the tensions and the opportunities entailed in being a Catholic in America? How does the church help you to integrate your faith with your culture, politics, imagination? The winning essay will be published in *Commonweal*. The contest is open to Catholics, 27 years and under. Here's how to enter:

- All entries must be submitted by January 31, 2001 to: *Commonweal*, Essay Contest, 475 Riverside Drive, Room 405, New York, NY 10115.
- The winner will be announced and the two thousand dollar prize awarded on May 1, 2001. The winning essay will be published in the September 14, 2001 issue.
- All entries must be typed, double-spaced, on single sides of standard size paper. Enclose a computer disc copy or send a copy of the essay to [commonweal@msn.com](mailto:commonweal@msn.com).
- Entries will not be returned.
- *Commonweal* may request for publication, at its usual rates of payment, essays submitted in this contest that are not awarded the prize.

*Commonweal* is a biweekly review of public affairs, religion, literature, arts, and the media. It was founded in 1924 by a group of journalists and intellectuals who wanted to give Catholic lay people a stronger voice both in their church and in American society.

From its earliest issues *Commonweal* has exposed readers to the theological currents on liturgical reform, religious freedom, and the role of the laity, all of which later found full expression at Vatican II. In more recent years, *Commonweal* has provided insightful, balanced discussions of such controversial topics as abortion, euthanasia, health-care rationing, military interventions, and the future of Catholic higher education.

Please copy this sheet and pass it along to  
students who might be interested in this  
competition. Thanks!

**Dear University Faculty and Staff Members:**

I hope your summer was restful and productive and that the start of a new academic year brings a renewed spirit and enthusiasm. As AY 2000/2001 begins, I wanted to bring the following to your attention. Also, please call upon me or any staff member in Athletics if you have questions or if we can ever be of assistance.

**Athletic Department Staff Directory**

A copy of our "Staff Directory" is attached. Please use it as a resource in contacting staff in the Athletic Department.

**Athletic Schedules**

I hope you will be able to attend some M/W intercollegiate athletic events this year. We will continue to utilize a number of approaches to provide information regarding athletic schedules. In particular, please know that upcoming athletic events will be posted weekly in the Campus News, Collegian and on Athletic/Recreation bulletin boards located around campus. Also, schedules are available on our Website at [www.lasalle.edu/athletics](http://www.lasalle.edu/athletics).

**Academic and Student Support Program**

As you may know, Dr. Joe Gillespie, who had been the Director of Academic and Student Support Program since 1992, has left the University to accept a position at Neumann College. Joe served La Salle in an exemplary manner and we will all miss him. A search for Joe's replacement is being coordinated through Dean Millard's office. In the meantime, please contact Brother Steven Casale, who has joined La Salle as Assistant Director for the program, if you require assistance. Brother Steven can be reached at 215-951-1696.

**Honorary Coach Program**

The Athletic Department has introduced an Honorary Coach Program. Faculty and Staff are invited to enhance their understanding of the program by observing activity in conjunction with an athletic event. Opportunities are available as honorary coaches for many M/W sports. Please contact Peter D'Orazio at 215-951-1545 if you would like additional information.

**Youth Outreach and Community Activities**

The Athletic Department has introduced "Project Teamwork" as its formal youth outreach and community service program. Coaches and student athletes have planned many activities for the current academic year. Also, please know that we would like to support any activities in which university faculty or staff might be involved. Don't hesitate to call upon any of us in Athletics if we can be of assistance (e.g. speaker's bureau, complimentary admission to athletic events for youth groups, clinics/workshops, etc.). Please contact Steve Black, Director for Project Teamwork, at 215-951-1528 if you would like additional information.

Good luck in AY 2000/2001. All of us in Athletics are appreciative of your interest and support of the program.

Sincerely,

A handwritten signature in black ink, appearing to read "Tom Brennan".
